ABOUT ME

Hello, my name is Hüseyin Yeldan. I am
18 years old and I am a Web Designer!
I am designing websites since 2018!
My first experience was from my school.
I was studying web designing at a
vocational high school and I am trying
to improve myself every day!

EDUCATION

Dündar Uçar High School
Web Designing & Graphic Designing
Graduated in 2021

Celal Bayar University
Computer Programming
Currently studying

MY SKILLS

HTML
CSS
I have been using HTML&CSS since 2018
i love using it.

Photoshop
I am using photoshop for several years.
I usually design my websites in photoshop.

Video Editing
I have little knowledge about video editing
as well.

CAREER GOALS

I want to learn back-end web so i can
become Full stack Web Developer.

My second goal is learning Flutter. I have
a lot of app ideas to make them i want to
learn Flutter to become Software Developer.

My third goal is learning Adobe Illustrator
and other designing and editing softwares
like Adobe After Effects and Blender.

Thank you for your consideration.
